

Rental Inquiry

Are you looking for a rental apartment from our portfolio?

We are happy to receive your inquiry and assist you in your search.

Find the right listing *on our website*

- › Discover our current rental offers on our website via this [link](#).

Contact us directly through the respective listing to get more information or to schedule a viewing.

Stay informed *with our newsletter*

- › Would you like to be notified about new first-time rentals and rental offers?

Sign up for our newsletter using this [link](#) and stay informed about our latest offers.

Registration *of Your Search Profile*

- › To help you find the right rental property, we offer you the option to register your search profile via the Flatfox platform.

The registration process works as follows:

1. Fill out the registration form via the following [link](#).
2. You will then receive an invitation from Flatfox via email to join the waiting list (check your spam folder if necessary).
3. Accept the invitation to then customize your personal search profile with details regarding location, price, size, and other criteria on your own.

As soon as a suitable apartment becomes available, you will be automatically notified. You can update or deactivate your registration at any time.

If you need assistance with the registration process, we are happy to help.
